**Innovative Silicon Valley Consulting Firm Honored by Top Industry Publications**

Amazon Consulting Ranks #36 on List of Top Consulting Companies by Inc. Magazine and #27 on Silicon Valley Business Journal's list of Fastest Growing Companies for 2007

**Mountain View, Calif., September 24, 2007** - Amazon Consulting, an organization solely dedicated to enabling companies in the technology industry to increase profitability by effectively developing and leveraging their partner relationships, today announced that they received the honor of being ranked #36 on *Inc. Magazine's* 'Top Consulting Companies List' for 2007. The nine year old firm also ranked #1050 on the overall list of the top 5000 privately owned companies in the United States.

It is the first time in the company's history that it has been mentioned among Inc Magazine's prestigious "Top 5000" and Diane Krakora, President and CEO of Amazon Consulting, could not be more pleased. Of the honor she said, "This is a significant milestone in the growth of our organization as we strive to further define ourselves as the leading organization fully dedicated to helping clients in the technology sector achieve their growth goals through partnering. Our success is the result of combined years of experience and a team of dedicated consultants who are committed to our client's success."

It was a month of honors as Amazon Consulting was also named one of Silicon Valley's 'Fastest Growing Privately-Owned Companies' in 2007 by *The Silicon Valley Business Journal*. Amazon Consulting was ranked #27 on the list making it the second year in a row they have had the honor of being named to the publication's "Fast 50" list.
